It's Much Easier Than You Think To Make A Difference Give Back Box

If you're like me you order the occasional item online for the quick and easy convenience of not having to go to the store. But what do you do with that cardboard box that your item likely came in? Hopefully, you said recycle it ;) but I have another way you can put that box to some good use!

The Give Back Box program is a convenient, free and easy way of donating your gently used household items by reusing that cardboard box.

It's as easy as:

1. Unpack your merchandise from the box (or use an already empty, unused box).
2. Print a prepaid USPS or UPS shipping label.
3. Fill the box with your gently used donations.
4. Seal the box and attach the prepaid label.
5. Ship the box via USPS or UPS.

Donations are shipped to the nearest participating Goodwill Industries location.

As an added bonus, the Give Back Box gives a second use to your cardboard boxes and guarantees they will be recycled in the end.

All types of batteries are also accepted at the Manistee County Household Hazardous Waste Drop-off Event held annually on the third Saturday in August at the Manistee County Road Commission, 8946 Chippewa Highway, Bear Lake.
