Lights Out for Earth Hour March 24th | 8:30 - 9:30 pm

Every year the World Wildlife Fund (WWF), coordinates millions of people, businesses and landmarks to set aside an hour to host events, switch off lights and make noise for climate change and environmental awareness. Join in this global event to unite and protect Earth, our only home!

Visit earthhour.org to learn about Earth Hour events around the world and find out how you can participate!

Get Ready for Earth Day 2018 Sunday, April 22nd

Earth Day Network, a global champion of environmental issues, is coordinating an Earth Day campaign to end plastic pollution by providing the information and inspiration needed to fundamentally change human attitude and behavior about plastics.

Not sure why plastic is such a big deal? Watch this short video titled, "What really happens to the plastic you throw away."

Earth Day Network is working hard and inspiring everyone to secure a future free of plastic pollution. Join us in supporting a plastic free future by visiting earthday.org to sign the petition and find many more resources to celebrate Earth Day.
